## About Us

With an extensive experience and expertise in the field of manufacturing plastic components, we, **Nidhi Containers Private Limited**, belong to the renowned group named '**Nidhi Group of Industries**'. We feel extremely proud in introducing ourselves as the leading enterprise in the domain of **Engineering Plastic Articles** and allied products. Incepted in the year 1992, we have established ourselves as an eminent manufacturer, exporter, supplier and trader in the industry. Our comprehensive range of products comprises **Plastic Molds, Plastic Articles, Plastic Industrial Parts, Plastic Packing Articles, P.U. Parts, Precision Molds, Industrial Textile Parts, CNC Milling Works** and more.

Being a quality conscious organization, we have never compromised on the quality of our range. We always strive to upgrade our quality standards and provide our clients with impeccable quality products. Well supported by a highly acclaimed group, we are progressing at an enormous pace. Over the years, we have developed a robust infrastructural facility that assists us in meeting all the requirements of our clients.

## Quality Control

We are backed by an expert team of quality auditors, who make sure that the quality of our range is not compromised at any level of production. Quality holds utmost importance for us, and thus we undertake varied stringent measures to ensure it. Every production activity is carried out under the supervision of our quality control experts. They inspect the whole batch of sourced raw materials before forwarding it for the manufacturing process. Moreover, all the finished Plastic Bottles, Plastic Articles, Plastic Industrial Parts, etc.

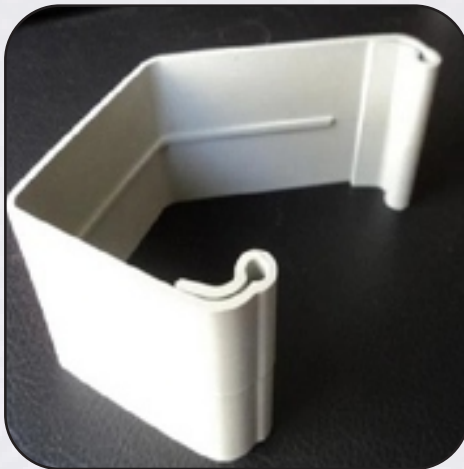

## Infrastructure

We possess a sturdy infrastructural facility which consists of advanced facilities for manufacturing, designing, quality testing, packaging, etc. Our designing unit is facilitated with latest CAD/CAM facilities that enable us to develop innovative designs as per the specifications of our clients. In addition, we have a sophisticated manufacturing unit which sprawls over a large area of land giving us enough space to carry out different processes with an ease.

# Our Products

**Plastic Filter**

**Plastic End Cover**

**Delrin Bracket ( Plastic Machinery Parts )**

**Delrin Gear ( Machined Plastic Part )**

**Pesticides Bottles For C Power**

**Rectangular Jerry Can**

**Plastic Bottle C Bond**

**Pesticides Bottles**

**Square Bottle For Pesticides Industries**

**Plastic Jar - Up to 5 KG**

**Bottle For Cosmetics Industries**

**Bottle For Chemical Industries**

**Plastic Dies**

**Plastic Mould & Die**

**Injection Moulds**

**Plastic Textile Components**

**Plastic Machinery Parts**

**Plastic Electrical Parts**
